WHAT'S ON IN RUSHMOOR & HART

Holiday activity and food (HAF) provision in Hart and Rushmoor – December 2023

A number of venues across Hart and Rushmoor are organising Holiday activity and food (HAF) schemes during the coming Christmas holiday. HAF schemes are free of charge to eligible families (primarily those qualifying for free school meals) and include a hot meal.

Details about all the schemes, their dates and times, can be viewed here: [Family Information and Services Hub | Service Listings](#)

To book a benefit-related FSM HAF place, you must first register with Hampshire County Council to receive a unique code that your activity provider will require when you book with them. Information about registering, and the link to the registration page, are available here: [Family Information and Services Hub | Holiday Activities and Food Programme](#)

- Most of the schemes take place within holiday playschemes offering paid spaces also.
- Some of the schemes are already very popular with few spaces left. There is no restriction regarding which HAF provision children can attend in relation to where they live or which school they normally attend. Children can also attend more than one HAF scheme.
- This information comes from the Hampshire FISH weblink, which is updating daily and should be checked in case of changes before making bookings.

Youth Theatre

5-12 years

The Princes Hall's Youth Theatre has been running since 2003 and is open to all young people between the ages of 5 and 12 - the only requirement is an enthusiasm for theatre!

The Princes Hall's Youth Theatre is ideal for those who enjoy performing and want to learn more about acting. It is a great opportunity for those wishing to build their confidence in a relaxed and supportive environment. Our Youth Theatre leaders Rachel and Tom are very experienced actors and teachers. Each term has a set theme or project, and students work towards putting on a final presentation to family and friends.

Group sizes are kept to a maximum of 18 students.

'Try It' Session

If you're not sure about joining for a term, then why not ask about a 'Try it' first session? Give the Box Office a call on 01252 329155 and pay just £10 for one session to give it a go, before committing. If you decide to stay for the rest of the term (which we're sure you will) we'll then deduct the 'Try it' session payment from the term fee.

The Legacy Project Rushmoor

Yellow Brick Road Projects have been commissioned by the OPCC to deliver The Legacy Project in Rushmoor. The Legacy Project pairs young people aged 10 - 18 who are at risk of exploitation with Mentors who will support them to explore their options and find their seam of gold over 12 one to one sessions.

Yellow Brick Road Projects successfully launched The Legacy Project in Andover in 2020. Since then we have gone on to work with young people across Test Valley and in Winchester. Our experienced Mentors are qualified at Level 3 and above with a range of skills which they use to engage with young people in sessions which may take place in school or the community.

The nomination pathway is as follows:

- Anyone working with a young person who they believe would benefit from having a Mentor should attend the nominations meeting. At this meeting the young people will be discussed, and a suggestion put forward for a line of support for each one. This could be The Legacy Project but could also be another service for example Youth Justice Service or local youth provision. Please contact david.lipscombe@rushmoor.gov.uk for upcoming meeting dates.
- If it is decided that The Legacy Project is the best fit for the young person, the professional presenting them will be asked to complete a nomination form with the young person [Yellow Brick Road Projects Nomination Form](#)
- The nomination will come through to The Legacy Project Lead who will arrange an initial engagement session and subsequently match the young person to Mentor.

For more information please contact Yellow Brick Road Projects on 01264 360 589.

HEALTH & WELLBEING INFORMATION

NHS Frimley: Change to urgent care – Frimley south

On Tuesday, 26 November, the pilot Aldershot Urgent Care Centre service came to an end after nearly a year. NHS Frimley, North Hampshire Urgent Care and Frimley Health NHS Foundation Trust are working together to continue to provide urgent care service for the people of North East Hampshire, Surrey Heath and Farnham.

From Wednesday, 27 November, if you have a health concern and need to be seen urgently, contact your GP practice and let them know what the problem is. You can also contact NHS111 (either online via <https://111.nhs.uk> or by dialling 111 on your phone).

Your local pharmacy can support and advise you with a range of common health conditions. GP practices, NHS111 and pharmacy are open to people of all ages.

Children and young people, or their parents or carers, can also visit Frimley Healthier Together, an online resource with information and advice specifically designed for younger people. The information has been developed by doctors, working with parents, and uses a 'traffic light' system to advise you on what the best course of action is.

Your local GP practices are working hard to deliver even more appointments to support you over the coming months. Many hundreds of additional same-day appointments are being provided every week across North East Hampshire, Surrey Heath and Farnham.

If we all Make The Right Choice of health services, we can support the NHS to be more effective and that will help us all to get the treatment we need more quickly. You can find out more about what services are available here: [Which service do you need? | Frimley Health and Care](#)

Get winter strong – get vaccinated

For some, flu is unpleasant. But for many, particularly those with certain health conditions, older people and pregnant women, they can be very dangerous and even life-threatening.

The flu vaccine is also offered to most children including all aged 2 and 3 years old and school aged children from reception to year 11, as well as those with underlying health conditions. The children's flu vaccine is usually given as a quick and painless spray up the nose.

Children should get the flu vaccine as soon as they can for their protection and to help stop the virus spreading to others. Children aged under 5 have one of the highest hospitalisation rates for flu. During the 2022/2023 season, more than 6,000 under-5s in England were hospitalised by flu, and many more needed care in accident and emergency. The vaccine reduces a child's chance of needing hospital care by around two-thirds.

Book in with your GP if your child hasn't already been vaccinated as part of the schools' programme.

Frimley Maternity and Neonatal Voices Partnership (MNVP)

Frimley Maternity and Neonatal Voices Partnership is a voice for those who use local maternity services. We collect feedback from women and their families from across the Frimley Trust area to review and contribute to the development of local maternity services.

We share feedback anonymously with the staff at the hospitals and with the LMNS (who fund the services), to see where improvements and changes can be made.

All feedback that we receive is valuable.

We are interested in all of a woman's maternity care – from the booking in appointment with a midwife to the handover to the health visiting team around day 10 after birth. Whether it be feedback on care within the hospital or feedback on breastfeeding support available to you after you are home or any other aspect of care, we want to hear from you.

If you have had a baby at Frimley Hospital in the last two years, we would love to hear about your experiences.

What was good about your experience of maternity care?

What, if anything, wasn't good?

What ideas do you have for improvement?

We appreciate any feedback that we receive but would particularly like to welcome feedback from army families and our Nepalese community.

Please email us at: chair@frimleymvp.org.uk

Parent support at Hampshire Libraries

Here are details of two groups in Hampshire Libraries:

New Parents Meet and Connect - These new sessions are perfect for new babies and first-time parents/carers in the early days. You will be supported to explore a range of sensory equipment with your baby and have a chance to connect with other new and first-time parents. These sessions are free, there is no need to book, but places are limited. To find your closest session please use the link: <https://www.hants.gov.uk/librariesandarchives/library/events#.Parent-support>

Andover Mind's Wellbeing Centre, Aldershot

Andover Mind is a mental health charity helping anyone with or at risk of mental ill-health. We provide services right across Hampshire, with wellbeing centres in Andover, Basingstoke and Aldershot, and outreach in the community across the boroughs of Test Valley, Basingstoke and Deane and Hart and Rushmoor.

Our wellbeing centre in Aldershot and outreach in Farnborough and Fleet offers wellbeing support to adults experiencing difficulties with their mental health. The support is delivered through limited to one sessions, along with a full timetable of groups and workshops. Our groups and workshops are created with different needs in mind, with the intention of having a group to suit everyone. Some are for those who want to share how they're feeling and get advice from others, others are for those who want to get out the house, distract themselves, be around people or learn coping skills. There is no pressure to share or talk in our groups, sometimes just turning up is a big enough step.

Our one to one support is provided by an allocated key worker who will work with you through limited sessions to focus on your mental health related concerns and together, set small, achievable goals to support you to cope.

Some of our free groups and workshops include:

Emotional Support and Recovery (Farnborough and Fleet)

Fortify Mental Health & Wellbeing Services

Fortify Services are a support system for teens and young adults who are struggling with their emotions, anxiety, anger and self-esteem (to name a few). We work in a mentor role to help build their confidence and resilience to normal home and school life.

We offer face to face sessions either in the family home, at school or we can go for a walk or to a coffee shop. We spend the time talking through what they feel comfortable with and build a relationship that works best for them.

Our trained staff have years of experience and qualifications which allows us to be flexible with whatever is troubling them.

To contact us you can visit our website at www.fortify-services.com or by emailing at info@fortify-services.com

So far this year:

Fortify successfully delivered their 'parenting on the front line', which was a free online programme to help and support parents with teenagers. Due to its success, we will be putting it on again and the information will be shared through all local schools and fellow professional agencies.

We have also started our drop-in service exclusive to Wavell school students. Wavell have been kind enough to lend us an area in their school where we can support their pupils outside of school hours with their emotions and behaviour. We are currently running our anxiety programme which will end the week before half term and after half term we will be starting our anger management programme. All pupils attending Wavell school are welcome to attend.

We are continuing to provide counselling, mentoring and behavioral support to secondary schools in Hart and Rushmoor. Our plumbing provision has been a hit in a number of schools. If you wish for more information, please don't hesitate to contact us.

Good news:

Fortify have had a new member join the team!!

Holly is the latest recruit to join Tara, Steve, Jean and Charlotte. Holly has been working with teenagers for over 5 years and has extensive knowledge with regards to trauma and healthy relationships.

The course runs over 4 weeks and with each module is an hour long. These are run either in person or online. The course is suitable for anybody who wants an introduction to CBT, to gain an understanding about general anxiety and depression, and is self-motivated to learn self-help techniques to better manage their mood. There are opportunities to ask questions and join in with group tasks, although it is not a forum to share their personal experiences. We encourage participants to have their cameras on if they are attending online. Patients can attend the managing low mood and anxiety course following a referral to TalkPlus and after discussion for suitability at their initial assessment. The course is suitable for people experiencing mild to more severe levels of depression or general anxiety.

Next course starts: 8th January 2025. For further information about all the courses we run and how to self-refer, please visit: www.talkplus.org.uk

Rushmoor Healthy Living delivering free healthy eating workshops for Rushmoor schools

Statistics from Public Health Hampshire show that 24.8% of children are overweight or obese by reception age and 40.7% of children are overweight or obese by year 6. In fact, these levels are still rising and are a national problem.

Rushmoor Health Living has been awarded a small-scale grant to help this ongoing issue and have been delivering healthy eating sessions to uniformed groups locally, and now have a few slots available for schools in Rushmoor.

The sessions aim to cover several key healthy eating messages, in an interactive and fun way and can be adapted to cover any age group. The goal is to make healthy eating fun and accessible, encouraging the audience to feel confident in their choices and to start building lifelong habits.

I would be delighted to discuss availability for Spring 2025 with local schools. Contact - DJ Ghale, Project Officer, Rushmoor Healthy Living, Email: djghale@rhl.org.uk, Mobile: 07566712597.

Home-Start Hampshire

Home-Start Hampshire is a local charity supporting parents with children under the age of 11 and who are going through challenging times. Trained volunteers work alongside families to give compassionate and confidential support, tailored to each family.

SUPPORT FOR FAMILIES

For Military families, we can offer weekly home visits by one of our volunteers to offer emotional and practical support tailored to your families' needs.

GREAT NEWS! We have secured a further 2 years of funding for our Maternal mental health group at Aldershot Garrison Community Hub. The group runs on a Monday from 10am – 11.30am and supports Mum's who are isolated and struggling with their mental health. Each week we cover a different topic such as anxiety, writing for well-being, self-care and the importance of exercise in managing your mental health.

NEW! Mums Matter Group at Elizabeth Hall in Hook is open to families who live in either Hartley Wintney, Hook or Odiham, are isolated and feeling overwhelmed or anxious. The group is a safe space for Mums with their babies and young children to seek support and make friends. The group runs on a Wednesday from 10am – 11.30am.

Families can self-refer or via a professional such as Health visitor. Referrals for both groups or home visiting support for Military families can be made here: Referrals | Home-Start Hampshire or you can call 0330 124 2095 for more information.

Hart & Rushmoor Young Carers

Hart and Rushmoor Young Carers is a Hart Voluntary Action (HVA) service offering emotional/social/peer support and practical help to anyone aged 7-25 years living in Hart and Rushmoor who cares, unpaid, for a family member with an illness or disability, mental health condition or addiction.

Young carers have access to fortnightly, 2-hour evening club sessions during term time at Mayfield Community Centre in Farnborough, as well as additional opportunities to attend day trips, residentials and school holiday activities. They are also able to participate in our Cook & Eat Programme, in which 2-3 young carers attend a cooking class before their club session where they help prepare a healthy meal from scratch for the whole group. Older members also have access to 1:1 support, a Duke of Edinburgh's Award Group and young leader programme which gives them a chance to get involved in running activities at our younger clubs. Community transport is available for those young carers without access to a vehicle and attendance free, and there is no charge for any of the food, drinks or activities provided.

We hold term-time club sessions every Tuesday (*Junior Group for 7-11 years, alternating between School Years 3-5 and 6*) and Wednesday (*Senior Group for 11-15 years, alternating between School Years 7/8 and 9/10*), and every other Thursday (*Young Adult Carers Group for 15-25 years*).

The main focus of all our activities is on the young carers having fun, meeting/socialising with others in a similar situation and receiving respite from their caring responsibilities. An additional aim is to give

the young carers as many enjoyable, educational and challenging activities as possible to help improve their confidence and self-esteem, develop new skills and cope with issues that affect their lives.

The young carers are also involved in shaping the service to ensure their needs are appropriately met. Both group (Young Carers Board) and individual feedback is gathered to better understand their experiences, and what they would like to see added and/or changed. Some later volunteer as young adult carers which gives depth and continuity to the service.

We have the following activities planned in the lead up to Christmas:

- Christmas Parties for all our groups at Mayfield Community Centre in Farnborough,
- Trips for our Junior Group to Clip 'n Climb Camberley and The Anvil Theatre in Basingstoke to see the pantomime,
- Trip for Senior and Young Adult Carers Groups to Jump In Trampoline Park Camberley.

A young carer can be referred to the service by a member of their family, their school or college, or by a health and social care professional. They can also refer themselves.

To find out more, please contact Young Carers Service Manager Lindsay Graham by e-mail at youngcarers@hartvolaction.org.uk or phone on 07983 030 689 or visit the HVA website to download a copy of the referral form.

Rushmoor Voluntary Services Child Health & Safety Day

Rushmoor Voluntary Services are working with partner organisations to run a **Child Health and Safety Day** for year 4 pupils (Farnborough schools only for this year) in **June 2025**. The event links into the annual Child Safety Week and aims to help children build confidence and skills in recognising and managing the real risks to their own health and safety.

This is not a new event, but this year we plan to work with every junior and primary school in Farnborough and organisations supporting home schooled children. Previous events have involved up to 20 organisations, including police, fire, ambulance, road safety sessions, internet safety and gas safety. We have had suggestions for e-scooter safety, handling 'trouble' when you come across it (not getting involved in the fight) vaping and internet safety.

I am at the early stage of planning and would welcome thoughts on the points below.

What health and safety messages do you feel children need to hear?

Are there key of areas of concern for children we could include in the day? Health includes healthy weights, dental care, smoking, vaping etc.

Ideas or contacts for organisations to involve in the day.

If anyone would like to be involved in planning the day, I would welcome a conversation.

Please contact debibe.whitcombe@rvs.org.uk to share your ideas and thoughts for the day.

Squirrels

Our Squirrels section opened in September 2022, and this new section is for children aged between 4 and 6. Squirrels can achieve anything they set their minds to – and they have lots of fun along the way. Our one-hour sessions will be a brilliant opportunity for young people to take their first step into being part of Scouts, and they'll help everyone get ready for the adventure of school too. Sessions are packed with outdoors activities, fun, games, badges, laughter, and so much more to help our youngest members learn the skills they need for life.

Our regular meeting time for Squirrels is a Thursday evening 5pm – 6pm

Beavers

Beaver Scouts are aged between 5¾ and 8. They meet weekly to take part in a wide range of activities including games, crafts, singing, visits, and good turns, along with plenty of outdoor activities. Beavers also can take part in the fun and excitement of sleepovers and camps. It may be the first time they spend a night away from home so it's a real adventure for them!

Our regular meeting time for Beavers is a Monday evening 5.30pm – 6:30pm

Cubs

For Cubs, excitement and adventure are key. Cubs – aged between 8 and 10½, take part in a wide range of activities designed to be interesting and challenging. They meet weekly during school term and meetings consist of games and activities with plenty of time spent outdoors. Camps and days out are some of the most memorable events of the year for Cubs.

Our regular meeting time for Cubs is a Monday evening 6:45pm – 8:00pm

Scouts

For Scouts (aged 10½ - 14), outdoor activities feature prominently with the highlight being camping. Throughout the year, Scouts learn various skills such as computer skills, problem solving, map reading, camp cooking, and first aid. Rock climbing, archery, rifle shooting, pot holing, raft racing, photography, and caving are just some of the things our Scouts get up to.

Our regular meeting time for Scouts is a Thursday evening 7:00pm – 9:00pm

Explorers

Our Explorers are a go-getting group of young people aged 14 to 18, meeting weekly to try new things, make new friends, and conquer the small task of changing the world. Being an Explorer is all about discovering the world on your own terms and making the most of what you have, wherever and whoever you are.

Hart & Rushmoor Ukraine Support Fund

The Hart & Rushmoor Local Children's Partnership (LCP) is managing a Hampshire County Council fund to provide local access to funding to support Ukrainian individuals and families based in Hart and Rushmoor. Trusted referrers can apply for funded support on behalf of Ukrainian individuals, families or groups, if the spend does not duplicate services already in place through CVS organisations, schools, Hart / Rushmoor / Hampshire councils, etc.

Examples of the types of spend we will consider, specifically to support Ukrainian families and individuals are:

- Food vouchers – a one-off voucher that can be used in community pantries or supermarkets.
- Energy vouchers (if in own home). Direct financial support to pay gas, water and/or electricity bills. The value of any individual funding award will be dependent upon individual circumstances.

- Transport – bus passes or Community Transport services.
- ESOL programmes – support with second language of English.
- Community activity – Stay / Play sessions for toddlers, holiday activity programmes, youth provision (e.g., sports clubs, uniformed organisations), support groups for parents.
- Essential supplies – help with school uniform, white goods/appliances/furniture and furnishings in new home, laptop / tablet, etc. The value of any individual funding award will be dependent upon individual circumstances.
- Trauma Groups or therapeutic/mental health support, voluntary external companies to help with counselling particularly for teenagers.

Please share with colleagues as appropriate. The key elements are:

- Application form and Guidance is available from tony.mcGovern@rushmoor.gov.uk
- Applications must come from referrers, not the individual or family. In the first instance, contact tony.mcGovern@rushmoor.gov.uk with your idea / suggestion – once the idea has been discussed the funding application form can be completed.
- No minimum or maximum spend will be set, with each application based on its merits.
